APPLICATION FOR MEMBERSHIP OF THE VICTORIAN CLIMBING CLUB INCORPORATED

I _____
(Name/s)

of

(Address)

hereby apply for ordinary, concession, family, affiliate (**delete as appropriate**) membership of the Victorian Climbing Club Incorporated. I certify that I am at least 16 years of age and in the event of my admission as a member I agree to be bound by the Rules of that Incorporated Association for the time being in force.

Before you sign and send in your membership application form, we would like you to read and understand the following Safety Warnings:

- Climbing is an intrinsically dangerous activity. You could be seriously injured or killed, even by events beyond your control, by taking part in climbing activities.
- Climbing is a team activity. It is typical for people with whom you are climbing to hold your life in their hands (e.g. belaying). Only climb with people you trust. If you are not sure then don't climb.
- The safety issues relevant to climbing outdoors are totally different to those involved with indoor gym climbing. VCC encourages the use of safe climbing practices but any climbing you undertake with the Club is at your own risk.
- VCC cannot guarantee your safety on climbing trips or other Club activities. You are personally responsible for your own safety, which includes choosing where and what you climb, what gear you use (whether it's yours or anyone else's), and with whom you climb.
- VCC strongly recommends that you undertake training courses to learn and improve your safety and technical skills. For your own safety, VCC recommends that you wear a helmet when climbing, belaying, or anywhere near a cliff.
- It is a requirement that all participants on Club trips wear helmets at all times whilst climbing or belaying, or whenever above or below a cliff. No persons who are under the influence of alcohol are permitted to participate.
- Any advice or recommendation on climbing equipment given to you by VCC is not to be taken as any warranty that the equipment is fit for the purpose of climbing or of the performance of the equipment.
- In participating in VCC activities of any type the Club accepts no responsibility for the above or for the acts, omissions or defaults of any of its members or other persons.

If you feel uncomfortable about any of the above, the answer is simple – do not climb! We do not mean to frighten you off; we just want to make sure that you understand the risks involved and are prepared to accept personal responsibility for these risks.

I have read and fully understand the above Safety Warnings and accept that I assume all responsibility associated with these risks of climbing on trips organised by VCC and other VCC activities.

Trip Participants Guidelines

All Club members are welcome to participate in Club trips that are consistent with their skills and experience. Trips may be listed as appropriate for a certain level – Novice, Intermediate or Advanced.

For the purposes of VCC trips:

You are a **Novice** climber if...

You can tie yourself in using a figure of eight knot and you have a harness, helmet, suitable footwear, one sling and a screw gate karabiner.

You are an **Intermediate** climber if...

You can tie yourself in using a figure of eight knot plus you can safely belay and second a lead climber, you can abseil and you have a harness, helmet, suitable footwear, several long slings, two screw gate karabiners, nut pick and belay device.

You are an **Advanced** climber if...

You meet the Intermediate criteria plus you can lead climb using traditional gear, you can set up belays on multi pitch climbs and you have all the above mentioned gear plus a rack and a rope.

Contact the trip leader or vcclubtrips@vicclimb.org.au for more details.

Please note that the Club has no gear available for beginners to use. Ropes and protection may be generously provided by the trip leader and other experienced climbers on the trip. All climbers need a helmet and harness which are specifically designed for rock climbing and which adhere to UIAA, CE or equivalent, and climbing shoes.

Due to conditions of the Club's insurance, it is a requirement that all trip participants wear helmets at all times when climbing, belaying, or above or below a cliff. No persons who are under the influence of alcohol are permitted to participate.

If you suffer from any allergies, are taking any medication, or have a pre-existing injury or illness, you **must** inform the Trip Leader.

The Club does not run abseiling trips. Commercial instruction groups can be approached for this.

Anyone who is planning on going on a trip **must** contact the trip leader well before the trip to register. This allows the leader time to organise enough experienced climbers to help out with new climbers on the trip. It also helps in organising transport so no one misses out.

Minors, i.e. anyone under 18 years of age, may attend a Club trip if, and only if, accompanied by a parent or guardian.

All participants (or parent/guardian, in the case of minors) **must** sign the Trip Register before joining a particular trip.

Trip Leaders

Leaders can reject intending participants if the leaders, in their absolute discretion, are not satisfied that those participants have the necessary level of skill and equipment or are otherwise unsuitable.

Guests

Non-members may attend 2 Club trips as guests, after which they will be required to become members to attend further Club trips.

Learn to Lead Climb

Club trips are not intended to be instructional. If you are new to climbing and want to get out onto rock and learn to lead climb, one of the VCC courses can teach you the basics to make sure you have fun and get home safely.
